man, presented a supplemental report of the Commission on World Service and Finance, recommending changes in their report necessitated by referrals from the Conference. On motion of Howard Somers, the report was adopted with these changes and recommendations. See report.

Study Section on Contemporary Concerns

COMMITTEE ON WORLD PEACE: Collis Blair, secretary of the Study Section on Contemporary Concern, presented the report of the Study Section in regard to recommendation No. 4 of the report of the Committee on World Peace which had been referred back for further study. On motion of Collis Blair, the following statements were adopted:

> "We re-affirm Methodism's traditional stand in opposition to Universal Military Training by whatever name and commend continued study of the basis for such a stand."
>
> "We concur with the recent action of the General Conference regarding our church's responsibility to our young men and women who with sincere Christian conscience have responded to the call for service in the military forces. The discharge of this responsibility places an obligation upon our churches to provide pre-induction counselling, and the use of such religious literature as to inculate the attitudes and convictions of Christ-like living during their military service both abroad and at home."

Considerable debate occurred on the remainder of the report, and on motion, the Conference agreed to adjourn at 12:30, to resume at 2 p.m.

PRESENTATION: Bishop Grant presented Ira and Edith Gillett, missionaries to Africa.

ANNOUNCEMENTS:

BENEDICTION: Following the benediction by Bishop Grant, the Conference adjourned.

Afternoon Session

The afternoon session was called to order at 2 p.m., and Bishop Grant called on the "Parsonaires," who presented several musical numbers. Bishop Grant then recommended several new books to members of the Conference.

GREETINGS: On motion of M. A. Marcy, the Secretary was asked to express to Mrs. Bruce R. Baxter the good wishes of our Conference.

COMMITTEE ON WORLD PEACE: On motion of Roland Arent, the following recommendation was adopted as a final amendment to the report of the Committee on World Peace:

> 'We ask the Trustees of Willamette University to implement the discontinuance of the A.R.O.T.C. on this Christian University Campus. Our conscience is heavy knowing that we have approved financial support and have urged churches to give additional support in their budgets if possible, when we know full well that this military program is embraced by the University. May the spirit and teachings of Jesus Christ direct their entire program."

On motion of Earl Riddle, the entire report of the Committee on World Peace was adopted as amended.

STATISTICIAN: On nomination of M. A. Marcy, Earl Horsell was elected Conference Statistician for the quadrennium.

SECRETARY: On nomination of Lawrence Guderian, H. James Jenkins was elected Conference Secretary for the quadrennium.

VI. REPORTS

A. ADMINISTRATION

1. THE AREA COUNCIL

The Oregon Conference representatives have met with the Area Council from time to time throughout the year.

They assisted in setting up "The Churchmanship Roundtable" held at the College of Puget Sound, Tacoma, Washington. Leadership from General boards were secured to help, and the attendance from Oregon, Alaska, Idaho and Washington Conferences was good, and served to initiate the "Roundtable" on District, Sub-District and the local church.

An area viewpoint of Church Extension, together with the needs, has been considered.

A study of "Credit Unions" is being made. and a uniform "Second Mile Club" is suggested for all three conferences.

The proposed Area-Wide Churchmanship program for 1956-57 and for Area-Wide Evangelistic efforts have been referred to committees for action.

Memorials were prepared to General Conference on "Administrative Assistants", "Theological Schools" and "Periodicals and Publications."

A committee has been appointed to create a more comprehensive and adequate program of in-service training for Pastors.

The brochure "WHERE THERE'S A WILL THERE'S A WAY" to encourage those who are making their wills, is recommended for distribution.

Edward Terry, Secretary

2. DISTRICT SUPERINTENDENTS REPORT

We express personal appreciation to our peerless leader, Bishop A. Raymond Grant, for his deep concern for the work of our conference, for every preacher, every church, every cause and work and for his brotherly spirit and fairness in every situation.

We express appreciation to the Conference Staff, to Conference, District and Sub-District leaders—both ministerial and lay, to pastors and people for prayers and work which have made this past year A TIME OF ADVANCE FOR THE OREGON CONFERENCE.

We express gratitude to Almighty God who made all this possible.

Forward Movement

The Oregon Conference has gone forward during the past four years.

The Forward Movement did not reach all the goals it set:

Our goal was	$400,000.00
Our pledge was	320,000.00
We paid	240,295.02

But—Because of the Forward Movement we have seven new congregations: Parkrose Heights, Vermont Hills, Tygh Valley, Trinity-Salem, Morningside-Salem, Immanuel-Cave Junction, Wesley-Eugene and two "abornin": Cherry Blossom Park-Portland and Second Church, Medford.

Also we have new church buildings at Lents and Dillard and new educational plants at Beaverton and Oakridge.

We have given help at Oswego, Oak Grove, Tigard, Garden Home, Metzger, Capitol Hill and West Salem.

We have a new Wesley Foundation Building in Eugene, new Wesley Foundation properties at Ashland and Monmouth and have given help for additional quarters at Corvallis.

We have a new camp at Dead Indian Soda Springs and have helped at Magruder and Suttle Lake.

We have a new wing being built on the Methodist Home in Salem.

During this period almost every church in the Conference has also had a Building Improvement or major Building Program and has made increases in pastor's salaries, local programs and missionary giving.

We gave for all purposes in the quadrennium:		
	1948-1952	$6.262.555.
	1952-1956	8.938.380.
	1952	1,776.594.
	1956	2,286,779.

COMMISSION ON TOWN AND COUNTRY WORK

Bruce McConnell

meeting the challenge of the unchurched in California. In Oregon, each Methodist must win at least 4 others if we are to meet that challenge here.

In 1947, I heard a member of the U.S. Chamber of Commerce commenting on the influx of people to Oregon. "These people are coming and will keep on coming. There is nothing you can do to stop them. All you can do is to determine whether they are to be economic assets or liabilities. If you develop industries and payrolls so that they can support themselves, they will become assets. If you fail to provide employment, they will become economic liabilities and you will have to feed them."

I applied his statement to the church. If these people who have come and are coming are won to Christ and the church, they will become moral and spiritual assets. If not won, they become liabilities. We have not kept pace with this influx in winning people to Christ and the Church.

Evangelism is being a friend. It is bringing people into a fellowship of Christian friends, a fellowship of redeemed sinners, a redemptive society.

Evangelism is becoming all things to all men that by any means we might save some. I think *every church* should have Four Nights for God each year, should have One Great Day of Witnessing, should have monthly visitations, should have membership classes, should do everything possible to win every possible person: 10% of the members visiting each month; 90% of the members visiting regularly. If we did that, it would help tremendously.

We need a new bold venture in Evangelism in Oregon.

Let Oregon Methodism move forward this year—like a mighty army in a new bold venture for Christ and His Church.

—Meredith Groves, For Oregon District Superintendents

3. THE OREGON CONFERENCE INTERBOARD

The most important single thing that Interboard has to present to the Annual Conference this year is the Survey Report. In accordance with the action of the last Annual Conference, a Survey Committee was appointed by the Bishop to study the entire Conference organization and report to Interboard for action. After a careful study of the report, some changes were made and the amended report is herewith presented to the Annual Conference for action.

Acting on the recommendation of this committee, the Interboard Council set up the basic outline of a handbook to be published shortly after Annual Conference. This handbook will contain month by month suggestions for all of the Commissions in the local church as they tie in their work with the total conference program.

Much of the work of the Interboard staff you will find reflected in the reports of the various Boards, Commissions, and Committees. In addition to this, however, we have them to thank for major leadership in such special projects as the following:

The churchmanship Round Tables in the fall.

Sub-District clinics on Membership and Evangelism, Stewardship and Finance, and Missions.

Launching and editing the new Conference paper, "Oregon Methodist Churchdom"

Follow-up work on the Forward Movement.

Many personal consultations and group meetings designed to assist in the work of the Conference, District,Sub-District, and local church

A sincere work of appreciation is also due Mrs. Lucille Denney and Miss Jean Mandel who served as secretaries in the office until the middle of this year.

Daniel D. Walker, Chairman

4. THE STUDY COMMITTEE TO THE INTERBOARD COUNCIL

We recommend the establishment of a Conference Coordinating Council to replace the present Interboard Council, and that it be organized as follows:

I. *NAME*

This body shall be called the Coordinating Council of the Oregon Annual Conference. It shall serve as the coordinating agency of, and shall direct the programs initiated by all General, Jurisdictional, and Annual Conference boards and agencies.

II. *PURPOSES*

This proposed organization is intended to fulfill the needs and purposes that

In 1952 timid, fearful souls—ministers and laymen—in our churches said: "We are attempting too much. We cannot raise any more money." Many, most, of these did just that. Those ministers, laymen and churches did not help with the Forward Movement. But others did. Others dared, prayed, gave, sacrificed. The Forward Movement did not reach all its goal. BUT THE OREGON CONFERENCE HAS HAD THE GREATEST ADVANCE IN A QUARTER OF A CENTURY!

Trained Leadership

Trained Leadership has helped our Advance. Inspired by Bishop Grant we have increased minimum salary, subsidized other churches so that we have many new young men in our Conference—some of the finest in America. Last year the largest class in history united with the Oregon Conference. Results are just beginning to show. But—Marginal and missionary churches are becoming self supporting. Others are growing rapidly. An amazing transformation has taken place in many churches.

What of the Future?

Shall we continue to go forward? Or shall we go backward? We must continue to go forward or we shall go backward.

Too often we look on an Advance as money to be paid. And it is. But, it is *more.* It is needs to be met. It is Christ's work that must be done. We do have resources both in money and people. But, we must tell our story. People must know. They must be challenged. If challenged, they will respond.

How much are we doing? Giving?

In 1954-55 we gave in the Oregon Conference:

For all purposes $2,537,802 or $54.30 per capita.
For World Service and Conference Benevolence $134,882 or $2.82 per capita.
For all Conference projects $495,454 or $10.51 per capita.

How much should we give? Can we give?

In 1956-57 if we grant all the askings in the Pre-conference Reports for Church Extension Willamette University and the General Conference asking for World Service increase etc. etc. the total would be $461,583 or $8.00 per capita. If, in addition, we take all our special offerings, that total would be about $573,047 or $11.94 per capita.

Some denominations have as their goal in this hour of world need and opportunity: "AS MUCH FOR OTHERS AS FOR OURSELVES." To do that we would need to give for others $2,102,920 or $46.60 per capita. Yet, our maximum asking is only $11.94.

Bishop Kennedy at General Conference quoted a paraphrase on "Onward Christian Soldiers" that went like this:

"Like a mighty porpoise moves the church of God.
Brothers, we are treading where we've always trod."

We have not stood still in Oregon. We have gone forward. We need to go forward more rapidly. We are trying to lift the moral and spiritual climate of a state. We are trying to save a civilization, to bring the Kingdom of God to earth.

The General Conference said this to me: "These are crisis days of mankind. Methodism, as the largest Protestant Church, has a high responsibility to speak and act as Christians.

Christian Education

Methodists have more colleges than any other Protestant church. Yet, until Alaska Methodist college was begun, no Methodist college had been started in 25 years.

Willamette University is one of our greatest universities in Christian atmosphere, in producing outstanding Christian laymen and full-time church leaders. Now there are 44 undergraduates planning church vocations, and 50 Willamette grads taking graduate work preparing for church vocations. If those 94 young people were here tonight and you could see them, they would make a great impression. Imagine them and what they are meaning and will mean to the cause of Christ.

Willamette needs our help now. Let us give it!

Evangelism

Dr. Ray Ragsdale, Superintendent of the Los Angeles District says that each Methodist in California needs to win 8 others if Methodism is to do its share in report at the first meeting of the new conference year.

3. An Executive Committee shall be elected at the first meeting following the Annual Conference. The Executive Committee shall be composed of seven members: the Bishop, the officers of the Council, and two members elected at large from the Council.
4. The Executive Committee shall have power to act for the Council in matters requiring attention between meetings of the Council but shall submit all major action to the Council at its next meeting for final approval.

V. *AREAS OF WORK*

1. The work of the Conference as administered through the Coordinating Council shall be divided into three major areas:

   b. *The Development Area* shall have responsibility for all matters relating to church extension, church location and building, the Board of Missions, the Missionary and Church Extension societies in the Conference. Missionary education and cultivation shall be included in the Program Area where the Conference Missionary secretary shall work in cooperation with the Program staff.    c. *The Finance Area* shall include responsibility for all matters relating to finance, accounting, building management, pensions, Conference Claimants, and other matters delegated to this area.
2. No employed personnel of the Conference program area, whether administrative, clerical, directors, or field workers, shall be related exclusively to any one board or agency but shall be Conference personnel related to a Coordinating Council responsibility and opportunity.
3. Leadership in each instance shall participate in planning sessions of their own areas, and shall share cooperatively in the planning session of the Program Area of the Coordinating Council, but without vote .

VI. *STAFF AND PERSONNEL*

The Coordinating Council shall have authority to employ and supervise the following staff, it being understood that no additional full-time personnel be employed without the permission of the Annual Conference.

The Executive Secretary shall be responsible to the Coordinating Council, under its direction in the areas approved by the Conference, and subject to its supervision.
2. Conference Directors of children's, youth, student, and adult work, elected by the Coordinating Council, who may also be elected age-group directors by the cooperating agencies, and shall give leadership, under supervision of the Executive Secretary, to all Conference program activity for their respective age groups.
3. Associate directors, field workers, clerical or other employees may be added to the employed staff upon favorable action by the Coordinating Council within the budget approved by the Annual Conference.
4. Recommendation for such personnel may come from any board, committee or agency of the Conference.
5. A Personnel Committee of the Coordinating Council shall receive all such recommendations and shall be responsible for the screening of prospects and employment of all personnel, subject to approval of the Coordinating Council. It shall give hearing to needs, suggestions, and recommendations for personnel from any related agencies involved.

VII. *PROGRAM AREA*

1. To correlate the expanding work of the Conference organizations, to end over-lapping and bring economies, to simplify relations with the local church, and to encourage a more effective response of the local church to the total conference program.
2. To administer our conference program more efficiently, provide leadership for Boards, Commissions, Committees, and agencies, and to work out needed economies in the further development of the program without handicapping needed growth.
3. To place emphasis on the local church and its lay leadership by opening avenues of cooperation between the church and its participation in the Conference, Jurisdictional and General organization, that our conference organization and its machinery of organization and activity be used to help the local church and individual Methodists to become redemptive instruments for the fulfillment of God's purpose.
4. Matters reserved by the *Discipline* for the jurisdiction of any Board, Agency or Committee are not to be invaded by this Council.

WHEREAS Dr. Henry Hitt Crane has brought to us in a stimulating and inspiring way some of the truths of our faith and

WHEREAS Bishop A. Raymond Grant has preached, presided and counseled in his own gracious and warming way and has helped all of us toward working together in the spirit of faith.

BE IT THEREFORE RESOLVED THAT the delegates of the 104th Oregon annual conference of the Methodist Church go on record expressing our thanks and appreciation for these kindnesses and hard work on our behalf.

7. THE RULES COMMITTEE

The Committee on Rules is advised that the Conference Survey Study Commission is planning revision of the Conference administrative structure of such magnitude, that the existing rules will have to undergo drastic changes in order to properly carry out the proposed structure.

While the Rules Committee recognizes that there are many duplications and obsolete provisions in the present set of rules, this Committee recommends that there be no revision in the rules until such time as the Study Commission has filed its report, and the Conference has acted upon it.

The Rules Committee further recommends that the Conference authorize this Committee to act in co-operation with the Conference Survey Study Commission and be authorized to draft a set of proposed rules to submit with the Study Commission's report, to 1957 Annual Conference.

B. EDUCATION

1. DIVISION OF THE LOCAL CHURCH

Your Board of Education staff attempts to serve you in this area by making field work visits to local churches for observation and evaluation, and to lead training meetings.

One of the most helpful training and informational devices is our monthly NEWSLETTER. It contains information on coming events and sources of help, and also regular articles which suggest ways to strengthen the educational program of the local church. Over 1000 persons are receiving NEWSLETTER each month.

The work of the Division of the Local Church is financed through the money sent in on Rally Day Offerings and through a small grant from the World Service and Finance Commission. We ask that each church receive an offering on of Temperance, Woman's Society of Christian Service, Board of Lay Activities, Board of Social and Economic Relations, Civil Rights, Inter-denominational Relationships, and other agencies as the Annual Conference may direct.

1. *District Superintendents.* The District Superintendents shall be responsible for coordinating and promoting all program activity of the Conference within their respective districts, helping local churches to take hold of the Conference opportunities in the Program Area for learning, service, and outreach.
2. *Status of Agencies, Boards, etc.*
   a. All boards, committees, commissions, and agencies shall be encouraged to use the leadership of all staff personnel for the carry-through of their program.
   b. All boards, committees, and agencies of the Conference within the Program Area shall continue to fulfill their Disciplinary responsibilities. They remain independent in structure and activity but are related to the total Conference program through the Coordinating Council.
3. *Budget.*
   a. The administrative budget for the Program Area shall include provision for adequate offices and salaries and allowances for all personnel and administrative expenses.
   b. A budget committee of the Coordinating Council shall prepare the administrative budget for approval of the Coordinating Council before its presentation to the Commission on World Service and Finance.
   c. Each board, committee, and agency shall prepare its own budget. This budget shall be presented to the Coordinating Council for consultation before being sent to the Commission on World Service and Finance.
4. *Age-Group Committees.*
   a. Age-group committees for creative planning and coordination of the Conference program shall be established. These shall include the committee on children's work, the committee on youth and student work, and the committee on adult work. Each committee shall serve all of the boards, committees, and agencies working on projects within their respective age groups.
   b. Each committee shall be appointed at the first meeting of the Coordinating Council following Annual Conference upon recommendation of the Committee on Nominations.
   c. Each age-group committee shall include at least one representative of each board and agency working directly within the respective age-groups, the total number to be not less than fifteen and to include at least seven laymen.
   d. The age-group directors shall be the executive officers of their respective age-group committees.
5. *The Coordinating Council.*
   The Coordinating Council shall prepare rules of organization and procedure for permanent, effective leadership in correlating the work of the Conference program.
   The Coordinating Council shall meet quarterly during the Conference year, and at special times on call of the Executive Committee.

If we plan together, emphasize the importance of all our people sharing, young, older, and oldest, and then participate more fully than ever before in cooperative work, we surely can ask for God's guidance and blessing a fresh and helpful manner on our work.

5. THE OREGON COUNCIL OF CHURCHES

Ecumenical Protestantism expresses itself best in Oregon through the Oregon Council of Churches. Such causes as Migrant work, Cultural and Interracial, Town and Country Institutes, Service to Institutions, Legislation and Social Action, and many other things can best be carried on successfully through a cooperating agency. The Oregon Council of Churches becomes an indispensable servant of the Churches. In order that the support of the Methodist Church may be more nearly in keeping with the service rendered we recommend that the Conference allocate the sum of $2.000 to the Oregon Council of Churches, and that each local church be asked to place the Council in its budget for a reasonable amount.

Dean C. Poindexter, Chairman

programs of inspiration and instruction, but also in giving actual training through fellowship team visits to local situations.

At the end of four years of the Youth Emphasis we have shown a steady pull upward in terms of numbers of youth participating in their local church program. We recognize that this presents a challenge that there shall be a continuing emphasis on youth through the coming years, so that the numbers and the concern which we have built up through our efforts shall continue to grow, and that the spiritual life of each local MYF shall be deepened.

Dave Steward, President

e. *Committee on Adult Work*

In the past year we have provided coaching conference leadership for adults in the various Sub-Districts and some guidance for local churches. There was an increased interest shown in adult camping both in conference and district planning. We recommend that an emphasis be made on this area of the church's program in fall leadership training institutes. If possible, some General Board of Education adult workers should be secured to itinerate through the conference for small group meetings of adults.

f. *Committee on Leadership Education*

During the past year we have sponsored two main training opportunities for Church school teachers and officers. Last fall we held Sub-District Coaching Conferences in each Sub-District for the purpose of briefing local church workers on their job and the resources to help them. More than 1000 teachers attended these meetings.

Our most valuable leadership training experience in terms of what can really be done is our Annual Conference Laboratory School. Enrollment for the school was 58. This is smaller than many schools we have held and we hope that increased participation will be given this coming year.

It is our feeling that some specific training needs to be done with local church pastors in order that they may understand and support the program of Christian Education in the local church. We recommend that some kind of pastor's seminars be set up for this purpose in the coming year, particularly with new pastors in the conference.

g. *Committee on Audio-Visual Education*

One of the most valuable services which our Board of Education provides is that of the Conference A.V. Library Here in the office we stock a supply of some 250 filmstrips and slides on all areas of the education program of the local church. These are made available to local churches at a small cost for mailing and handling. 88 churches of the conference participate in the A.V. Cooperative plan of paying a $10 fee and using materials from the library free of charge for a period of one year.

Mrs. W. T. Frost, our A.V. Librarian books and handles all materials and meets quarterly with the A.V. committee to discus new purchases of material.

Al Vosper, Chairman

2. THE CAMP COMMISSION

Camping again this year in Oregon has progressed very satisfactorily and we are making more use of our three camp-sites than ever before. Camp Magruder has been used nearly every weekend though bad weather forced cancellation of some appointments. The winter use of Suttle Lake has increased with the addition of the caretaker's quarters. Conference camping has been improved by the purchase of Dead Indian Soda Springs.

We appreciate the work done by the leaders in camping in Oregon. The committee is responsible for the purchase of camp sites, and, through the local site committees, the maintenance and improvement of these sites. Increasingly the local site committees are seeing and accomplishing their responsibilities.

An evaluation of the financial aspects of camping shows that we have been operating at below cost. The financial reports confirm the need to raise the price of week-long camping. We therefore recommend the following measures to meet immediate and future needs.

1. That the price of camping be raised one dollar, to $16.50, for all week-long camps.
2. That all churches be urged to include an amount in their benevolence budgets which will be sent to the Conference Terasurer and designated for the Conference Camping program.

Church School Rally Day, to be used for the support of the program of Christian Education as outlined by the Conference Board of Education. We ask that churches attempt insofar as possible to reach the goal of 15c per Church School Member.

a. *The Committee on Children's Work*

The Committee on Children's Work has held regular meetings through the year for training and planning together. With the help of our trained personnel in the various Sub-Districts we were able to offer a series of Fall Coaching Conferences which reached persons in every Sub-District throughout the state.

During the first week of February our Committee planned and carried through an itineration of Miss Mary Edna Lloyd in series of five meetings through the conference, Miss Lloyd is Editor of Children's Publications for our General Board of Education.

We were pleased to note the increase in Methodist pupils in Vacation Church Schools during the past year. Our records showed 8383 pupils and teachers in the schools which were reported. This is an increase of 1947 over previous totals.

It has been our attempt to develop, during this year, a trained person who would serve as Sub-District Director of Children's work in each Sub-District throughout the conference. Such persons have been found in the majority of our Sub-Districts.

We are looking forward to a program of leadership education through accredited Leadership Schools in as many Sub-Districts as possible during the coming year.

Mrs. J. E. Sayre, Director

b. *The Committee on Youth Work*

This year has seen a growth in the effectiveness of our youth program as it has been carried out in the Sub-Districts and local churches. The conference theme for the year was "Concern is the Answer."

The Youth Committee has met three times through the year to plan and receive training. Fifteen youth leaders were trained at a Seminar led by Miss Aileen Sanborn of General Board of Education Leadership Department. They worked with Miss Sanborn for three days to prepare the course plans for "Teaching Youth", an accredited leadership course which might be offered in training schools in the coming year. In addition, many youth leaders worked in sections of the fall Coaching Conferences and assisted in the itineration of Miss Sanborn in a series of meetings for Adult Workers With Youth.

The two areas of Intermediate and Older Youth work are points of great concern to us. Some good work is being done with Intermediates on the Sub-District level in isolated sections of the conference, but more help needs to be given. Older youth need to be connected by some series of meetings that will help them beyond their local church. Older Youth-Young Adult weekend was helpful in opening the need.

Richard Bruner, Chairman

c. *The Methodist Sports Committee*

(A sub-committee of the Committee on Youth Work)

In the coming 12 months, the committee plans to expand the softball and basketball programs which it has offered heretofore and in addition organize volleyball and provide inspiration and know-how in all types of recreation for church school leaders.

Last season the committee organized 21 basketball teams, all in or near Portland. During the softball season, 59 teams played in 10 leagues. All told, 294 games were played and an estimated 1765 people watched senior games and 1950 attended intermediate games, in addition to the final games of the play-offs, played at Farragut park in Portland. Participation was estimated at 4940 seniors and 4306 intermediates.

Training schools were held for team managers and umpires; play improved; sportsmanship was reported very good and in many cases adults were drawn into the church circle who otherwise might not have been reached.

Dr. Joseph M. Adams, Executive Secretary
Watford Reed, Chairman

d. *Methodist Youth Fellowship*

This last year has seen the establishing of firm Sub-Districts in every section of the Conference. These have been helpful to the local church both for providing

4. OREGON METHODIST CONFERENCE HISTORICAL SOCIETY

At the 1851 session of the Oregon and California Mission Conference a "Report on Church History" was presented to the Conference, and a Conference Historian was appointed. Also a plan was adopted whereby a "brief history of the rise and progress of Methodism in each circuit" 'was to be prepared.

Your Conference Historical Society, in line with the purpose of the Historian and Historical Society through the years, seeks to serve a double purpose:

1. To collect and preserve historical records of our Church.
2. To arrange, document, and develop the historical material so as to make it usable for those who wish to learn the history of our Methodist Church.

Several more chapters of the "History of Oregon Methodism", which we have been preparing for several years, are now completed. One of these chapters "Early Circuits and the Circuit Riders" has been mimeographed, and will be distributed at this Conference among those who are interested.

A revision of the Conference Rule XIX, dealing with the Historical Records and Church Histories, is being asked by the Society. Its effect will be to bring about a closer relation between the Society and the local Church.

This year markes a change in the officiary of the Historical Society. A new office has been created: Conference Historian, T. D. Yarnes, who has been chairman of the Historical Society since 1950, is elected to the new office. Rev. Ormal B. Trick is elected President, and William S. Burgoyne is elected Vice-President. Mrs. E. G. Tschanz is the Secretary-Treasurer, and Prof. Robert M. Gatke is the Curator of the Historical collection which is kept at Willamette University.

Thomas D. Yarnes, Chairman

5. METHODIST STUDENT MOVEMENT

The Oregon Methodist Student Movement is rapidly becoming an effective body with student work in this conference. It serves to coordinate the programs of the local campus units, to emphasize and implement the concerns of the National Methodist Student Movement, and to be of help to the local units in stimulating them to greater evangelistic effort and in promoting a high quality in programming. The Oregon Methodist Student Movement sponsors two state-wide retreats per school year, one in the fall and another in the spring.

Aside from the retreats, the Oregon Methodist Student Movement sponsored workshops on Program and Drama and invited special resource people in both areas to lead them. Forty representatives from the various campus units participated. Also, thirty-five Methodist students from Oregon attended the Interdenominational Student Volunteer Movement Conference at Athens, Ohio, over the Christmas vacation where 3500 students, half of whom were international students, went to discuss the theme, "Revolution and Reconciliation". The largest delegation came from the state of Oregon.

In addition to the above projected program, the Oregon Methodist Student Movement will play host to the newly established Northwest Regional Student Leadership Training Conference, September 3-9, at Camp Magruder. This Regional Conference, sponsored by the National Methodist Student Movement, will include delegates from the campuses in Oregon, Washington, Idaho, Montana, Utah, Wyoming and Colorado.

Kenneth Peterson, State Director

6. MINISTERIAL TRAINING AND QUALIFICATIONS

1. It shall be required that all undergraduate studies be taken in an approved supply Pastor's summer school, and no longer by correspondence.
2. Paragraph 308 *The Discipline,* relating to the privileges of an unordained pastor, shall be rigidly applied in our Conference and all Supply Pastors be regularly notified of the regulations.
3. A program of testing for pre-ministerial prospective students be set up as soon as feasible, using materials already available through Willamette University.
4. It is highly desireable that some type of in-service training be established for Ministers already in active service.
5. Every minister of the Conference shall be encouraged to attend the Graduate School for Ministers, at College of Puget Sound, July 23-27, 1956.

Laurence E. Nye, Chairman

3. That a regular asking be made in the budget of the Conference Board of Education for camps and the camping program in Oregon.

Your camp commission has delayed such action longer than we should have. A further survey may mean other increases in the future. Oregon Methodists have such a tremendous investment in their camps that we must maintain them at the highest levels of efficiency and economy.

a. *Camp Dead Indian Soda Springs*

The Final payment has been made on this beautiful campsite near Medford and Ashland. A full-time caretaker makes it possible to use the camp in the winter time. The camp has facilities for 70 persons, as housing and dining facilities were purchased with the site, and many fine hours of camp have already been enjoyed by young people and adults from all over Oregon.

b. *Camp Suttle Lake*

Building seems to be taking priority over all other types of camp development at Suttle Lake. In the past year 3 cabins have been erected, two are ready to be set up, and this makes a total of six fine cabins which will supplement the tent housing which has been a tradition at Suttle Lake.

c. *Camp Magruder*

This year we have erected three new cabins to enlarge the cabin areas in the small group camp program which we find most helpful. Improved facilities have been added to Shore House and fire and water systems greatly improved. The imminent need is for winter facilities for groups of 10 to 15 persons who would like to go down for weekends. The memorial to Pearl Sherlock is still in the process of being thought through. Since it will be a major improvement we are endeavoring to make it something which will be functional as well as beautiful.

d. *The Program Committee*

Three additional sessions in summer camping have provided more opportunities for young people to enjoy camp during the summer. Junior camping especially has seen an upward swing in attendance. Strategic scheduling of high school camps has helped young people go to camp and still maintain summer work. 85 more high school youth attended camp in 1955. We are witnessing a big increase in the need for family camping.

The program committee has been eager to correlate the camp program with the program of the local church. More ministers and lay people from local churches will have the opportunity of the camp experience with their young people.

e. *Publicity Committee*

The work of the publicity committee is to promote camping throughout Oregon. One of the most significant ways this is being done is through the use of camp stamps in the local churches. Sets of slides on camping are available through the Audio-Visual Library at Conference Headquarters. Camp folders were available early this year and included health and registration cards in one mailing piece.

H. James Jenkins, Chairman, Camp Commission

3. EXECUTIVE SECRETARY OF THE BOARD OF EDUCATION

It has been a tremendous privilege for me to serve as the Executive Secretary of the Conference Board of Education at a time when so many significant things are happening in the conference and in the local churches.

I am constantly staggered by the realization of the financial investment which Oregon Methodists have in their educational program. We have an investment in Wesley Foundation buildings and equipment that totals many thousands of dollars. Our camping program, with the three campsites equipped for year-round activities is a tremendous investment, and how can we count the thousands of dollars which local churches spend for materials and equipment for the task of Christian Education in their own churches?

One of the constant pleasures is the opportunity to work with the persons who work so hard behind the scenes that the progam might go forward—our staff in the office—Florence Fairhill, who keeps our records and correspondence in such fine order; Martha Batcheller, who is our infallible treasurer, Mrs. Frost, who does such a superb job with the Audio-Visuals and the camp registrations, and of course, Mrs. Sayre, whose wonderful humor and dedicated hard work are a constant inspiration to me. All these and many others help us to do more than we ever think possible. It is a pleasure to work with them for Christian Education in our Conference.

Eugene E. Laubach, Executive Secretary at First Methodist Church.

The "Wes-Weds", a married students' group, was organized this year. This group meets every Thursday evening for a Potluck dinner and program. About 15 couples are active.

The students have organized visitation teams to call on Methodist preference students, personally inviting them into the program. Every incoming student is contacted concerning the Wesley Foundation program, many of them personally through this calling system or through our representatives living in the various houses.

Churchmanship is also promoted through the pledging program adopted by the students. They raise $1,885.00 for their own program, much of which goes to World Service projects and in each year sponsoring an international student on the campus. Pledges average $12.00 per student.

Kenneth Peterson, Director

8. WILLAMETTE UNIVERSITY

SALEM, OREGON

The College year 1955-56, an unique year in Willamette's long history, has seen the University continuing to grow in strength and service. Three new buildings, the Willamette Auditorium-Fine Arts Building, Bishop Memorial Health Center, and Doney Residence Hall for Women were dedicated in the early fall of 1955.

In addition to many outstanding student and professional performances in drama and music, a new Willamette lecture series was inaugurated with Dr. Umphrey Lee, Chancellor of Southern Methodist University giving a series of five lectures on the theme CHRISTIANITY—AN HISTORICAL FAITH.

In early March, Willamette was honored by the presence of four leaders in Religion and Education. They were Dr. Richard Bender of the Methodist Board of Education, Dr. Roger Ortmeyer, Editor of MOTIVE, Dr. Harold Hutson, President of Greensboro College and Dr. John Wesley Robb, head of the Department of Religion of the University of Southern California.

In its relationship to the Oregon Conference of the Methodist Church, Willamette has sought ways in which it can be of direct service to the church. This year 49 Willamette Students have participated in the work of the deputations teams and have held 18 services in the Conference. Two Conference M.Y.F. Conclaves were held this March on the campus with over 1300 Oregon youth attending.

Rev. Burton Bastuscheck has visited 73 communities and has been called on to speak over 125 times at either morning worship services or various church related programs.

The current college year has also been the time when there came a realization that it was necessary to take positive action to increase the level of salaries paid to the faculty members of the University. In order that the burden of cost would not fall too heavily on any one segment of the University constituency, it is anticipated that all will share in supplying the budgeted funds necessary to increase salaries. Tuition will be raised somewhat, an endowment increase should accrue from the grant of the Ford Foundation, and it is anticipated that further increases in endowment will come from the support of the church in the new quadrennial emphasis.

The Oregon Conference has continued to increase its support of her University each year for the past ten years, and this year has seen the largest support given to the school in its history. The combined local offerings and Conference budget total almost $16,000. Growing recognition and concern for the church-related colleges among Methodists is not only reflected in the increased financial support of recent years, but the church's indicated program for Christian higher education in the next quadrennium is concrete evidence of the present awareness to the needs for additional support to Christian higher education. We therefore request the following:

1. That Willamette University be included in the Conference Board of Education budget request from the Commission on World Service and Finance for an amount of $10,000.
2. That permission be granted Willamette University to present in the churches of the Conference the work of the University; and to this end November 11, 1956, be designated as Willamette Day with permission to take the Willamette offering in as many churches as will cooperate; and that the Oregon Conference

7. WESLEY FOUNDATION

a. *Oregon State College*

There are approximately 6,000 students at Oregon State College this year; more than 1,000 of them have registered as Methodist preference students.

The student attendance at Sunday morning worship averages 400-450. The Church membership figures regarding college people this year are these: single students—64 affiliate members, 56 full members; married students 12 affiliate, 56 full members; faculty—187 full members.

Our single-student program attendance has grown to an average of 80-90 at Sunday evening forums, 45-40 at Friday night recreation, and about 60 students are engaged in several types of smaller group activity, e. g. prayer cells, Church School classes. During the course of a term approximately 200 single students are reached through one or more of our paricipation activities in addition to the Sunday Church service, and the Associate-Director's campus speaking contacts.

Our newly-organized Wesley-Weds program for married students has met with enthusiastic response. Thirty couples have participated in some aspect of the "Weds" program which includes a Sunday morning class, a bi-monthly social, a wives' study group, and a weekend retreat on the theme of Religion in the Home.

Our faculty activity has consisted primarily of a Conference on Christianity in the Classroom, led by John Magee of the College of Puget Sound.

Tony Perrino, Associate-Director

b. *Oregon College of Education*

This year marks the Seventh year of the founding of the Wesley Foundation at Oregon College of Education, Monmouth. The number of Methodist preference students has grown in that time to this year's record mark of 130 students. This is approximately 20% of the total student body.

For the past year our Foundation has been meeting in the Evangelical United Brethren Church in Monmouth.

The local Foundation took an important step forward toward the close of the year when it was able to purchase a building site for a new Foundation building. The money was a part of The Board of Education's share of Forward Movement money. In the coming year a building program will be initiated.

The Foundation has had good support from the College and from the Faculty, many of whom are members of the local Church. The student program has been under the leadership of Miss Marilyn Neill of Oregon City, who is also Chairman of the interdenominational Campus Christian Council on the campus.

Roy Agte, Director

c. *Southern Oregon College*

Wesley has taken an option on a piece of property.

A series of noon meetings have been started in hopes of reaching more students.

Student pledging is becoming a reality. This year $60 has been pledged.

The Wesleyan, or monthly newspaper, will help us to keep in contact during the summer.

Mr. and Mrs. still isn't—but the possibilities might be realized in April!

Several students are taking an active part in the religious education program of the church by their service. (Even though not active in Wesley)

The Inter-Faith Council has been organized on campus for the first time.

Ann Arnold, Director

d. *University of Oregon*

At the University of Oregon there are 500 Methodist preference students. Of this number 80 are married.

At the University of Oregon we have a week-long program from Sunday to Sunday. Our Sunday evening Firesides feature lectures, panels, and symposiums in the nature and relevance of the Christian faith to life. On Tuesday evenings following a dinner, a more informal program features summer service projects, World Christian Community projects, the study of the Methodist Church, and campus problems. Thursday evening the Wesley Choir rehearses and following this there is a Vesper Service in the Howard Chapel. Study and prayer groups meet throughout the week at the student's convenience. A regular Bible study group meets on Sunday morning before the worship service at First Methodist Church.

The aggregate number of students who attend this weekly program at Wesley is over 100. The core group is between 60 and 70. Throughout the year, around 150 students participate actively. Around 50 students attend the worship service

2. BOARD OF EVANGELISM

1. We recommend that one of the area emphases for the coming quadrennium be continuous evangelism and that the Conference Chairman and Secretary and District Secretaries of Evangelism and District Superintendents meet at least quarterly to study the program of evangelism. District Secretaries of Evangelism are directed to work out specific year round programs to be sent to local churches. These are to be followed with later materials. The date suggested for mailing of program on or before July 15.

2. We recommend that a united evangelistic effort be held with proper education, motivation, implementation. Secretaries of Evangelism are directed to develop this program, setting dates and organization.

3. As to an evangelistic goal for the year to come, we recommend that 10% of the members of each local church be trained in methods of personal witness through four nights of training to be followed by personal calls each evening. New people won during the period to be immediately enlisted in the pastor's training class of 6 sessions using "Spiritual Life for Methodist Christians" (turnover chart by G. Ernest Thomas) or other equally effective and approved materials before being received into the church.

4. We recommend that at the First Quarterly Conference, the Commission on Membership and Evangelism will be asked to report on its plan of evangelism for the year to come and its goals. If a church fails to have a plan to recommend, the District Superintendent will suggest that the District Secretary of Evangelism (or his appointed representative) will be glad to arrange a meeting with the Commission and the pastor to help them formulate a program.

5. We recommend that in each District on a Sub-District level, clinics be held each fall and spring to assist local churches in the work of evangelism. This includes the District Secretary of Evangelism, Chairmen of Membership and Evangelism Commissions of local churches, Pastors, and all interested laymen. The purpose will be to discuss the theology, purpose, nature and methods of evangelism.

3. LAY ACTIVITIES

I have made many trips in the Conference to be present at Methodist Men's Club meetings, District Board Meetings, and other events and have found our men enthusiastic about the program of the church for laymen. It was my privilege last Fall to attend a meeting of the National Council of Conference Lay Leaders in Chicago.

METHODIST MEN: We have exceeded the quadrennial goal established for us by the 1952 General Conference of 62 Chartered Clubs. According to General Board records we now have 65 chartered groups.

We plan to hold a large scale Conference-wide retreat in the early Fall of 1956 at Salem. This conference will have the purpose of providing top training in many phases of churchmanship as well as fellowship and inspiration. Group sessions in the work of Commissions on Finance, Stewardship Committees, Lay Leaders, and Methodist Men's Club officers will be offered. In addition the conference will be open for the presentation of the work of other Boards to the men of Oregon through the medium of group discussion sessions. *All* of the leading laymen of *every* church are invited.

Howard B. Somers, Conference Lay Leader

a. *Eugene District*

Methodist men have been busy at some points in connection with building projects, both financially and in actual volunteer labor. While we do not boast about our results in the Second Mile Club effort, we have made modest progress and have every intention of increasing our activities in this direction. Certainly we recognize church extension as a crying need in this fast growing region. The Methodist Men's Hour is being heard over two excellent radio stations, one in Eugene and one in Roseburg. These are sufficient to give coverage over much of the district.

Jim S. Whipple, Eugene District Lay Leader

b. *Forest Grove District*

As near as I can determine thirty-one of the churches in our district observed Laymen's Day with laymen participating in the services. We held our annual retreat at Camp Magruder, a district Methodist Men's meeting at Tigard and one at Hillsboro emphasizing Christian Stewardship. Since the last report Methodist recommend to the churches of the Conference that a sum for the support of the University be included in the local church benevolence budget wherever possible, thus seeking to attain the recommended General Church goal of $1.00 per member for support of church related schools and colleges.

3. That permission be granted Willamette University to campaign for $800,000 which, with the Ford Foundation grant will add a million dollars to the endowment without quotas or assessments.

Dr. G. Herbert Smith, President

9. TRUSTEES TO WILLAMETTE

The work of Professor Burton Bastuscheck, in Town and Country Work, of Dr. Thomas Bennett with the Methodist Youth Fellowship and college groups. and of Dr. Norman Huffman and Dr. Daniel Schulze in the Department of Religion as well as that of the entire faculty and administration combine to make a religious atmosphere at Willamette which manifests itself in the number of students who are preparing themselves for full-time church vocations. Over 50 students are preparing for some church vocation, and more than this number are in graduate schools finishing their training for church vocations.

As conference elected trustees we welcome Dr. Umphrey Lee of Southern Methodist University in the first lecture series made possible by the Atkinson Foundation.

Meredith Groves, Chairman

10. VOCATIONS COMMISSION

The projected program for this coming year is as follows:

1. The Commission will officially sponsor and implement the Christian Vocations Fellowship, thus relating it more closely to the Conference.
2. The service of the members of the Commission will be offered to the Sub-District directors of youth work, and the Sub-District directors will be encouraged to emphasize church-related vocations at least once during the year.
3. The Commission will send the booklet, *The Committee on Christian Vocations in the Local Church,* to every church and suggest that such a committee be organized if one is not already functioning.
4. Occasional vocational material will be distributed through the District Superintendents.
5. Finally the Commission will endeavor to alert ministers to the untapped resources in young adults for church-related vocations. This recruitment of young adults is to have a special emphasis nationally.

Kenneth Peterson, Chairman

1. DEACONESS BOARD

Officers (1955-1956)

President—Edward Terry
Vice-President—Eugene V. Hamblen
Secretary—Ella Elsner

Members of the Board

Officers, members of the cabinet, Recter W. Johnson, Mrs. Wesley C. Bauman, Mrs. F. T. Spainhower, Mrs. Howard B. Somers, Mrs. W. W. Geiger, Ernest Larson, C. L. Starr and the deaconesses.

During the past year the board has made a small beginning at the task of spreading information about the place of the deaconess in our church life of today.

Recruitment literature from the Deaconess Bureau of the Woman's Division was made available at all high school camps last summer.

At MYF conclaves a deaconess led one of the interest groups on "A Career as a Deaconess."

During the next year this board would like to intensify their efforts to make our total church membership more aware of deaconesses—who they are, what they can do and the need for additional recruits.

Edward Terry, President
Ella Elsner, Secretary

4. We solicit the full support of our people in the programs suggested above, and in the efforts of our Annual Conference to continue a periodical of its own to advance the cause of Methodism in this state.

Public Service Building
Portland 4, Oregon

Oregon Annual Conference
The Methodist Church
Portland, Oregon

Dear Sirs:

We have audited the books and records of your Conference Treasurer, Mr. Ernest Purvance, and those kept by E. C. Klindworth for the Oregon Methodist Ministers' Retirement Fund for the fiscal year ended June 30, 1955 and May 31, 1955 respectively. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests as we considered necessary in the circumstances. In our opinion the reports of Mr. Purvance and Mr. E. C. Klindworth properly show your operations (on a cash basis) for the fiscal year ended May 31, 1955, and your cash and security position at that date.

We have also examined the records kept for the following funds, finding them properly kept and in good order:

Board of Conference Claimants
Portland District Promotion Fund
Salem District Promotion Fund
Eugene District Promotion Fund
Forest Grove District Promotion Fund
Board of Evangelism
Second Mile Club
Youth Fellowship
Board of Temperance
Board of Education
Board of Missions
Conference Trustees
Helen Kelly Manley Fund and Carrier Trust
Conference Secretary
Travel and Entertainment Fund

Yours very truly,

Men charters were presented to three groups: Pleasant Home, Seaside and Tigard. Four more groups are expected to be chartered next year.

Five laymen assisted the District Superintendent at most of the first quarterly conferences explaining the use of World Service funds and the need for continued and generous giving. Laymen assisted in the preparatory work that was necessary for the organization of the new church at Vermont Hills.

Tom P. Hilson, Forest Grove District Lay Leader

c. *Salem District*

Two district-wide meetings were held during the current Conference year. The first big event was the 16th Annual Laymen's Summer Camp held at Suttle Lake, July 1-4, 1955.

A planning meeting of the District Board was held in Salem, November 13th, 1955, and another will be held in May of 1956. Sub-District meetings were held in Halsey, Salem and Dallas. Methodist Men now number thirteen chartered clubs in this district. The promotion of these clubs and of Second Mile Club membership has been stressed in every meeting held throughout the year including special appeals for the latter on Layman's Day, the observance of which is quite general in the Salem District.

In addition to all the above meetings within the district I have attended a number of Conference-wide planning sessions. Except for my inability to visit more churches, my four-year term of office has been a most satisfying and stimulating experience.

Ernest Jacobson, Salem District Lay Leader

d. *Portland District*

Reports have been obtained from 21 chartered clubs in the district and four unchartered clubs. Of the chartered clubs, only one, that at the Sellwood Methodist Church, was newly chartered in 1955-56. The 25 clubs report the holding of not less than 150 meetings, most of which were dinner meetings held at the various churches. The total membership reported is 1130 members, and the average attendance aggregates in all of the clubs 500.

Number of Charges Reporting	30
Number of Charges which Observed Layman's Day	30
Number of Tithers	189
Number of Chartered Men's Clubs	25
Number of Unchartered Men's Clubs	4
New Clubs Chartered during 1955	1
Number of Men's Clubs Meetings	150
Number of Men's Clubs Members	1130
Maximum Attendance at Men's Clubs	904
Average Attendance of Men's Clubs	500
Number of Second Mile Club Units	212
Subscribers to the Methodist Layman	169

In addition to the work of the Board of Lay Activities of the district and the Executive Council of Methodist men, there has been active lay participation in two programs. The first is the District Strategy Committee which has conducted a survey of strength and prospective strength of the churches of the district. This program looks to the combining or merging of weak churches with those which are stronger in order that a more effective community program can be accomplished. The objective is to make every church strong and self-sustaining.

4. PERIODICALS AND PUBLICATIONS

We go on record as favoring the following:

1. A continuation of the fine work and improvements made in our Church School literature by the Editorial Division of the Board of Education and The Methodist Publishing House in joint cooperation. We believe in and support the aggressive leadership of our Editor-in-Chief, Henry M. Bullock,
2. A more comprehensive program of book publication by The Methodist Publishing House, making a better appeal to the layman and in the tradition of vital Christianity. We pledge our cooperation and loyalty to the Methodist Publishing House in our own area and will encourage patronage of its retail store.
3. A new and more interesting family-type church paper, larger in size than our present Christian Advocate, possibly a monthly, using more color pages and more inclusive in its coverage.

Conference is also the owner of the lease holds of our Suttle Lake Camp and of our camp located at Dead Indian Springs and all of the equipment used in connection with these camps.

The title to the mortgages securing the Twelve Thousand Dollar fund left to Camp Magruder by Dr. Magruder is vested in the corporation.

Approximately Fourteen Thousand Dollars of the Funds received from the sale of Grace Methodist Church have been paid over to the Board of Trustees of the Oregon Annual Conference claimants in accordance with the decision of the judicial council.

The vacant lot located at Cherryville, Oregon, has been sold for $150.

We have taken a deposit of $450.00 on the old property located at Dilley, Oregon, subject to action of the corporate session declaring the same vacant, in order that we may give good title to this property.

We have checked our fire insurance policy, and believe our properties are covered by adequate insurance.

The necessary reports have been made to the Corporation Commission of the State of Oregon, and our corpration is in good standing.

7. THE SECOND MILE CLUB

The Second Mile Club was instituted by Bishop A. Subscriptions of one or more ten dollar units, as a giving over and above regular giving, were sought to provide the help for ministers in these churches, that the Forward Movement was providing in building new churches.

Statistically, 15 ministers in as many churches, have received support in part from The Second Mile Club during the three year period it has been in operation: 5 in Portland District, 5 in Eugene District, 3 in Salem District, and 2 in Forest Grove District. 6. The Conference Treasurer may advance each month 1/12 of their respective conference funds to the treasurers of the Interboard Council; the four Wesley Foundations; and the Conference Administration Fund. This authorization is to apply to the first ten months *only* of the fiscal year.
7. All items in Conference Budget shall be apportioned to the pastoral charges solely on "the grade figure."

Benevolence Items

1. We recommend that the Oregon Conference accept the sum of $83,197 as the annual MINIMUM World Service Apportionment from the General Conference for the Conference Year 1956-57.

2. All funds remitted for World Service and Annual Conference Benevolences shall be divided between the two items according to their ratio one to the other in the budget. The Conference Benevolence Budget shall be distributed among the participants in the same manner as set forth in the above.

3. The total benevolences recommended for the year 1956-57 by the Commission is as follows:

General Church World Service	$ 83,197
Oregon Annual Conference	88,744
Total Budget Recommended	$171,941

Comparison to previous years:

(The above asking is an increase of $24,540 or a 16.6% increase over the amount contributed during the year just closed)

4. Special Observances: We recommend that:
   a. Permission be granted Willamette University to present in the churches of the Conference the work of the University; and that to this end November 11, 1956 be designated as Willamette Day, with permission to take the Willamette offering in as many churches as will cooperate; and that the Oregon Conference recommend to the churches of the Conference that a sum for the support of the University be included in the local church benevolence budget wherever possible, thus seeking to attain the recommended General Church goal of $1 per member for support of church-related schools and colleges.
   b. Willamette University be granted permission to campaign for $800,000 which with the Ford Foundation grant will add a million dollars to the endowment.
   c. Permission be granted the Woman's Society of Christian Service of the Oregon Conference to conduct a quiet campaign for funds to aid in the work of the Methodist Home in Salem. This campaign is to be carried on without quotas or assessments.
   d. Permission be granted the Board of Lay Activities to solicit memberships in the Second Mile Club. This solicitation is to be carried on without quotas or assessments.
   e. The Bishop designate a board or agency to promote the "Methodist Television Ministry Fund" in order that we may reach our share of the General Church goal.
   f. The Wesley Foundations at Southern Oregon College of Education, Oregon College of Education, and Oregon State College be permitted to carry on a quiet campaign for capital funds without quotas or assessments.

3.–GOODWILL INDUSTRIES OF OREGON, INC.

Locally, the Goodwill Industries of Oregon, ranking in the top 20 in the nation, employed a total of 373 persons last year who earned for themselves wages well over a quarter of a million dollars; and although 85% were potentially tax consumers because of their disabilities, they not only managed to support themselves, but paid a total of $33,000 in state and federal taxes.

While these good people have earned 100% of their record operating budget of $400,000 this year, they must look to the generosity of individuals and corporations to provide capital funds for buildings and better equipment. The soundness of an investment of this type is evident in the fact that for every dollar given to capital need this year, $26.00 was returned to the community through operations. The total number of people employed has increased by 43 over last year and by 83 over a year ago. Hours of work and wages paid have increased proportionately.

Because of your investment, because of your interest and faith in their abilities, these folks have gained new levels in their battle for a full and abundant life to which every soul is entitled.

Marion C. Smith, Executive Director,
Goodwill Industries

4.–HEIFER PROJECT INCORPORATED

In 1955 the Heifer Project Inc. had its greatest year in shipments. A total of 895 cattle, 231 milk goats, 62,550 chicks, 63,480 hatching eggs, and 150 pigs were shipped to 13 different countries–Angola, Austria, Ecuador, Germany, Greece, India, Italy, Japan, Korea, Mexico, Pakistan, Puerto Rico and the U. S. (42 heifers sent to Prentiss Institute and sharecroppers in Mississippi.)

Since 1944 the HPI has shipped a grand total –up to 1955 of 8,445 cattle, 6.859 goats, 530 rabbits, 200 hives of bees, 3000 turkey poults, 215,260 chicks, 280,560 hatching eggs, 1,060 pigs, 47 horses and 15 sheep.

	Financial: Cash receipts for 1955	$154,909.02
	Value of shipments made in 1955	223,107.50
National	Grand total	$378,016.52
Total cost for administration and promotion		17.1%

5.–BOARD OF HOSPITALS AND HOMES

Two matters are under study by this Board. First, the possibility of providing foster homes for Methodist children needing temporary care as the result of "Domestic Court" action; and second, the possibility of instituting the Golden Cross program in our Conference. This latter organization supports the Board with contributions to help needy Methodists to receive proper medical care in many of our Conferences.

In addition to these study activities we are publicizing the progress of our program to care for the aged. Although not under the Conference Board, the Willamette View Manor, occupying 12 acres, is operating under the National Board of Hospitals and Homes and has drawn leadership from the Conference Board. At the present time the total invested in buildings and equipment at the Manor is in excess of $2,800,000. This has been met by the Founders who reside in the building. The plan of financing construction costs in this manner has proved to be sound and has drawn nation-wide attention. Because of the increased need of our aging population, construction will begin some time this year on a $1.250,000 annex South of the main building. In addition to this, a Rogue River Manor is

E. MISSIONS

1. THE BOARD OF MISSIONS

If we are going to meet the challenge of paganism facing this rapidly growing commonwealth, we must think in terms of a church extension and evangelistic program at least twice as large as our present undertaking.

Instead of thinking in terms of $400,000 a quadrennium for Forward Movements, as we did four years ago, we must raise our sights to the point where we will be brave enough to ask our people to provide $2,000,000 to $3,000,000 for church extension in Oregon.

To assist the new Board in its work, the outgoing Board has arranged with the general Board to have another survey of church extension needs in Oregon made between October 8 and 22 by Dr. Roy A. Sturm of the New York office.

Administration of Church Extension and Home Mission funds on a district basis is at an end. Regardless of the likes and dislikes of certain persons, the new Board of Missions must operate as a Conference Board of Missions. By order of the General Board, district quotas and district needs, as such, will get scant consideration. The new Board will be required to affix priority numbers to all future applications for salary subsidies, and for grants and loans to new building projects. These priorities will be on a Conference basis, not on a district basis. If the Conference Board fails to meet this requirement, the general board of executives will use their best judgment in determining the correct conference priorities. We must face the reality that the general board has issued a mandate outlawing district provincialism.

It might be wise for the Board to consider administration of Conference Funds on the same basis, thereby helping lead the way when all of our work will be done on a Conference basis.

Ernest W. Peterson, Chairman

2.–FORWARD MOVEMENT COMMITTEE

As we approach the end of the quadrennium we find that the goal of $400,000.00 is approximately 38% short. Some churches did not accept their quotas, and other churches have not yet paid in full the amount which they agreed to contribute. Many of the churches, on the other hand have met this obligation and a few have oversubscribed. The reports of the three participating agencies will bear eloquent witness to the advances in Methodism which can be attributed

Interboard Council is preparing a handbook for the guidance of Local Commissions of Missions which it is asking Annual Conference to authorize. The month by month following of this guide will greatly increase the effectiveness of this Commission. Churches are urged to get their Commissions organized.

Eugene Smith is planning 6 Area meetings in December for Missionary promotion.

Pastors are urged to use in the most effective manner the monthly sheet, containing missionary stories which is sent out by the Conference Missionary Secretary.

The past year 91 reports of Missionary Commissions were received by the Conference Secretary. Of these, 52 held church-wide Schools of Missions; 39 did not. Emphasis should be continued to enlist more and more churches in this project.

Rev. Fremont Faul reported to the section that the Conference Board of Missions requested him to take initial steps to organize a Section of Cultivation and Promotion within the Conference Board of Missions. This section to be charged with promoting Mission schools, missionary speakers, recruitment, etc., and to be composed of representatives of the Board of Education, MYF, Laymen, WSCS, together with the Conference and District Missionary secretaries.

There is definite need of taking leadership training to the small or remote church which does not respond with attendance at district or sub-district meetings.

Showing of films is an effective training device.

Recruitment needs emphasis and Christian parents need to face up to their responsibility for encouraging rather than objecting to their sons and daughters entering full time Christian Service.

Youth needs to be informed of the wide scope of fields open for full time Christian Service.

Churches need to be informed of available Missionary speakers. One member of the study section stated that she and her husband had been in Hawaii for six years and now located at Fossil, Oregon for a year. They have had very few opportunities to tell of their work.

Itineration of missionaries is an effective method of promoting interest in missions and sharing the expense.

World Service giving should be promoted in such a way that churches will not want to accept less than requested.

Training teams, workshops, conferences such as Asilomar, are working tools which we recommend shall be utilized by the Mission Board and other Mission agencies during the coming quadrennium.

The Mission Study section recommends to the Annual Conference the adoption of this report together with the additional material.

S. Raynor Smith

7. TOWN AND COUNTRY WORK

The Commission proposes for next year:

a. The organization of a Research and Survey group to aid in the study of the location or relocation of churches. This group will make studies only on request.

b. The inviting of the Rural Life Fellowship to work jointly with the Commission on Town and Country Work on a Conference level—the program to be promoted by these two groups working cooperatively.

c. The planning and carrying through of plans for a Ministers Conference now referred to as "Amity II" to be held February 26-28, 1957 at Heppner, Oregon.

d. The participation of as many churches as possible in the Church Improvement Contest sponsored by the Oregon Council of Churches.

e. That each Town and Country Church send at least one lay person with its minister to the Interdenominational Town and Country Conference at Corvallis, October 15-19.

Myron M. Hall, Chairman

on the drawing boards and will be built on the same financing plan this year at about the cost of the original building at 2705 S. E. River Road, Portland, Oregon. Our long range plan for the twenty-two acres of ground on the Willamette includes the construction of a Chronic Hospital on the site of the old Matson Hospital buildings North of the Manor.

There are now over 300 Methodist Hospitals and Homes in the United States.

Olin E. Parrett, Board Chairman

6.–MISSIONARY SECRETARY

We are recommending that for the coming year we adopt the following plan for regular meetings:

a. That an organizational meeting of the Commission be held as soon after Conference as possible after the apportionments have been given to the churches. This meeting should outline a program for the year in the local church and be prepared to present the report to the 1st quarterly Conference for adoption.

b. That beginning with September to May a regularly stated meeting of the Commission be adopted in the calendar of the church.

c. That a report of the Commission be given at each Official Board Meeting every month.

2. We again appeal to each church to hold an annual School of Missions or an International Safari as one church labeled their school. There is no better way to acquaint our people with the needs throughout the world.

a. We recommend that in view of the fact that the month of January our Church School lesson material will be based on Christian Missions that we conduct our Schools of Missions for the coming year in the month of January and early February.

b. We also recommend that a very special effort be made to include the youth and children of the church in the School of Mission planning with classes for the various age groups and activity hours for the smaller children and a nursery for infants so parents can attend.

3. Promotion. We have issued each month the brief World Service Minutes which have been widely used. We propose to continue these if that is your wish.

4. Recruitment. We are encouraged to hear that many churches have young people who are preparing themselves for full-time Christian service. The call of our church for candidates for missionary service has been sent out to our churches.

5. Missionaries. This year we have been fortunate to have Ira and Edith Gillet, home on furlough from Africa, who have visited many churches of each district of the Conference. Miss Laura Heist, recently returned from India has been able to visit many of our churches.

6. Missionary Mass Meetings. We believe the time has come when we might reach hundreds of our laymen for an afternoon and evening rally during the summer when people are planning for occasional vacation trips.

7. Churchmanship Workshops for the coming year we believe should be held as early as possible in the Fall of the year so that the greatest possible good can come from them as plans in the local churches are being carried out.

8. Finances. We can only give a few figures that may show a trend. As of the end of February, the Week of Dedication offerings in 1956 were $2,372 as compared with $1,097 as of this same time in 1955.

9. Asilomar Missionary Conference was attended by four of your secretaries and one layman..

10. Committee on Missionary Education and Cultivation. The Conference Board of Missions has asked that a separate committee of the Board be set up with representatives of the W. S. C. S. and laymen to work with the missionary secretaries of the conference in our program of promotion.

11. We ask that each pastor fill out in full the annual report blanks for the Commission on Missions and return the same with their Conference reports.

The breakdown of the number of churches which met their World Service apportionment in the past year is as follows:

and reports the following: Pledge for Missions—sent to the Woman's Division of Christian Service—$52,510.32, which is $3,910.32 over our pledge of $49,600.00

8. THE WOMAN'S SOCIETY OF CHRISTIAN SERVICE AND THE WESLEYAN SERVICE GUILD

During the four years of the present quadrennium now coming to a close the Woman's Society of Christian Service has kept before it the symbol of a compass, made of five concentric circles and at the center the cross. The circles represent our goals: Spiritual Growth, Widening Fellowship, A World Church, Peace and Missions, and the cross in the center signifies Christian Discipleship.

Membership in the Woman's Society of Christian Service now stands at 11,951 and in the Wesleyan Service Guild at 854, making a total adult membership of 12,805 and a net gain over the number reported at the same time last year of 233. New societies have been organized at Cave Junction, Day's Creek, Morningside, and Vermont Hills, bringing our total number of societies to 156. Two new Guilds have been added, a third in the Medford Church and one in the new Morningside Church in Salem. This gives us 47 Guilds in the Oregon Conference.

Last year we not only met our pledge to Missions but sent an additional $3,558.00. The pledges and goals for the current year are:

Mission Pledge to the Woman's Division of Christian Service, including the Cultivation fund	$54,000.00
Migrant Work (administered through the Oregon Council of Churches)	500.00
Youth and Student Travel (administered through the Executive Secretary of the Board of Education and the Directors of Wesley Foundation)	600.00
Scholarship Fund (awarded equally to two Negro girls; one attending Linfield College and one Portland State)	500.00
Summer Schools (this to keep the cost of attending within the reach of more of our women)	300.00
Linnton Community Center	500.00
Methodist Home Building Fund	1,000.00
Total	$57,400.00

Supply giving, which is over and above pledge, last year added $5,568.32 in cash and $4,878.75 in the value of new materials or a total of $10,447.07 sent to our projects and institutions of the Woman's Division.

The practice of honoring members with Life Memberships, of giving Baby Memberships and In Remembrance gifts is also growing. Last year $806.00 was given and in the first three quarters this year the amount is already $884.00 from this source.

The four study courses for the year have been: "An Introduction to Five Spiritual Classics," The Chrisitan Mission in a Revolutionary World," "Indian Americans," and "To Combine Our Efforts for Lasting Peace." To date there have been a total of 120 courses completed with 43 of them meeting the requirements for Jurisdiction Recognition. The amount and variety of action from study reported is especially gratifying. Attendance at our two Schools of Missions reached 170, with 75 societies represented.

The Wesleyan Service Guild has gone forward in the past year. About 95 Guilders enjoyed the Annual Weekend at Magruder in July and about 50 braved the snow and cold to attend the President's House Party in Eugene in November.

With subscriptions totaling 1215 this year The Conference Bulletin (the publication of the Oregon Conference Woman's Society of Christian Service) has become self supporting for the first time.

The Methodist Home Inc. at Salem has 65 guests living at the home. Ten new guests have been admitted in the past year. The Corporation has authorized the building of a new wing, and plans are going forward. The Woman's Division of Christian Service has allocated from the funds from the sale of Manley Community Center $50,000.00 for this building with the stipulation that it be called "The Manley Wing."

During the past year Linnton Community Center has been admitted to provisional membership in the National Federation of Settlement Houses. This is evidence that the Center has met the high standards required.

Last year $90,506.94 was reported by the Woman's Society of Christian Service and the Wesleyan Service Guild as expended for local church and community needs.

Since the report was written the Treasurer has closed her books for the year a National law making it unlawful to serve liquor on Air Plane flights, and that we support the Congressional bills banning interstate advertising of alcoholic beverages.

J. Palmer Sorlien, District Secretary

3. THE COMMITTEE ON WORLD PEACE

We believe that peace begins within each of us and should be a concern for daily prayer. The way to world peace is to recognize this and deepen our own spiritual lives.

1. It is recognized that if we are to live together peacefully and with love for each other, we must experience love from others as we grow up. Therefore, we urge that the Church and individual Christians extend the circle of their concern so that more children and adults who have not experienced love in their lives may come to know the love of Christ and His disciples and thus progress toward world peace.

2. We urge each church in the Conference to consider observing a 24 hour vigil of prayer for World Peace and suggest that the Board of Membership and Evangelism and Committee on World Peace might set up a coordinated program in October.

3. We recognize the great value of having students from other countries study at our colleges and universities and urge our churches and church-members to invite these students into their churches and homes.

4 We re-affirm Methodism's traditional stand in opposition to Universal Military Training by whatever name and commend continued study of the basis for such a stand.

We concur with the recent action of the General Conference regarding our church's responsibility to our young men and women who with sincere Christian conscience have responded to the call for service in the military forces. The discharge of this responsibility places an obligation upon our churches to provide pre-induction counseling, and the use of such religious literature as to inculcate the attitudes and convictions of Christ-like living during their military service both abroad and at home.

We ask the Trustees of Willamette University to implement the discontinuance of the A.R.O.T.C. on this Christian University Campus. Our conscience is heavy knowing that we have approved financial support and have urged churches to give additional support in their budgets if possible, when we know full well that this military training program is embraced by the University. May the spirit and teachings of Jesus Christ direct their entire program.

5. We add our affirmation to the statement of the Second Assembly of the World Council of Churches (Evanston, 1954), of Pope Pius XII (in his Christmas message of 1955) and the General Conference of the Methodist Church (Minneapolis, 1956) on nuclear weapons and arms control. "We urge discontinuance of nuclear explosions by all nations and recommend, instead, the further development of atomic energy for peaceful uses." (General Conference, 1956).

6. We recognize the need to respect the rights of minority groups, regardless of color, race, creed or status in the local church and urge our nation to practice this on the national and international scene.

7. We are aware that in the present situation of acute tension over policies with regard to race relations many of our Fellow Christians are in deep distress of spirit and in extreme difficulty in their comunity relationships. We want to assure our fellow Christians in these agonizing situations of our sympathy and prayers and of our resolution to assist them in ways that may be helpful and lead to equality and human brotherhood.

8. We recommend support of such programs as Fellowship of Suffering and Service, UNICEF, and UNESCO, and urge our government to increase such long-term programs as Point IV and Technical Assistance to other countries that enable people to help themselves.

9. We urge a free exchange of goods among all nations and lower tariffs between countries as important economic basis for true world peace.

10. We recognize that the immigration practices of our nation need to be more Christian and urge Congress to revise the McCarran-Walter Immigration Act.

11. We call upon the leaders of our nation to embrace a foreign policy of creative good will with all peoples to displace any "calculated risk" program that may lead to a "brink of war" policy.

F. CONTEMPORARY CONCERN

1. SOCIAL AND ECONOMIC RELATIONS

The first concern of the Board has been to complete the work begun in 1954. (1954 Journal, Page 69.)

We request the formation of a Conference Commission on Contemporary Concerns organized with sub-committees on Temperance, World Peace, Social and Economic Relations, and Civil Rights; and that a budget item be made available for expenses incurred in necessary meetings.

Since a conservative estimate indicates that funeral directing does a $6,000,000 annual business in Oregon, and since the survey and study of funeral practices, customs, and costs made and published by this Board indicate that there is widespread dissatisfaction and some confusion with respect to current practices, we recommend that our ministers prepare the members of our churches (through sermons, counseling, and printed information) to meet the experience of bereavement in the light of Christian faith. Be it further resolved that the Oregon Conference specifically urge that: 1) Since the Methodist Hymnal respresents our standard of church music that any hymns used in funeral or memorial services be selected from it; 2) our people maintain a tradition of modest and simple funeral practices; 3) friends of the deceased be urged to contribute to memorial funds in lieu of flowers; 4) the casket be closed, to remain closed thereafter, before the funeral service begins; 5) our people call upon the minister to be present and participate with them in making arrangements with funeral directors; 6) funerals for church members be held in the church.

Whereas the electric water power potential of the Pacific Northwest is seriously underdeveloped, and whereas the need for direct and immediate action is even more urgent in the face of the proposal to divert the waters of the Columbia River by Canadian action, therefore we recommend that a public hearing be called by the Secretary of the Department of the Interior to bring together all the conflicting interests, local, state, federal and private, to the end that a program may be developed which will result in the wisest possible use of our great power resources here in the Far West. And, that the Secretary of this Annual Conference be instructed to forward copies of this resolution to the Secretary of the Interior and the Congressional Delegates from Oregon.

We support the action of the United Council of Church Women and the Oregon Conference Woman's Society of Christian Service in asking for a separate institution for the imprisonment of women criminal persons in Oregon.

Raymond E. Balcomb, Chairman

2. TEMPERANCE

For use in the local church our National Board of Temperance has produced a new temperance film "Far From Alone." Pastors and District Secretaries of Temperance have raised the money this past year to pay for this film. There will be one film available for the use of each District without cost.

We cooperate with the Oregon Temperance League in its work of Education, Legislation and Commitment and the Oregon Temperance League as the Official Representative of the Methodist Church in its interdenominational efforts.

We nominate for directors of the Oregon Temperance League the following: Howard Somers. M. A. Marcy, George Roseberry, Meredith A. Grove, J. Palmer Sorlien. W. A. Briggs.

We recommend to our Methodist people that they lend their utmost to enact

OBITUARIES FROM MEMORIAL SERVICE OF OREGON CONFERENCE, 1956

Conference Members

CARL GREGG DONEY

(November 5, 1955)

Dr. Gregg Doney passed away at Salem, Oregon, November 5, 1955. Dr. Doney came to Salem on July 14, 1915 to assume the responsibility of President of Willamette University. He found a campus of nineteen acres and seven college buildings. The library had eight thousand books. There was an endowment fund approaching half a million dollars. The total enrollment was 331.

Prior to coming to Willamette, Dr. Doney had earned his B.A. degree at Ohio State University, did post graduate work at Harvard and earned a law degree at Ohio State. He was admitted to the Ohio bar, but could not escape the persistent call of the ministry.

After fourteen years in Ohio pastorates, Dr. Doney was called and accepted the Presidency of West Virginia Wesleyan where he served from September 1907 until 1915 when he came President of Willamette.

The nineteen years on the Willamette campus were full of activity and achievement. The college debt was eliminated, new buildings were erected, scholarship was strengthened and a million dollars was added to the permanent endowment.

At the June, 1955 meeting of the Board of Trustees, action was taken which named the new residence hall for women the Carl Gregg and Jennie Evans Doney Hall, honoring Dr. Carl Gregg Doney and his late wife. Dr. Doney served as President of Willamette for nineteen years, from 1915 to 1934. This is the longest presidency of any who have served the University. When advised of the action of the Board of Trustees, Dr. Doney replied in these expressive words: "If there be thoughts too deep for tears, there are emotions too profound for words. When your telegram came yesterday I was indescribably moved and grateful. That you and your fellow Trustees should have the new residence for women be known as "Doney Hall" is a distinctive honor, an honor deserved by Jennie and shared with me."

4. THE OREGON CONFERENCE COMMITTEE ON CIVIL RIGHTS

We are concerned that the current attempt to control subversive elements in our national life may eventually destroy the historic rights guaranteed to every individual by our Constitution.

We believe that religion has the unalterable right to express moral judgment upon the total life of mankind.

We support President Dwight D. Eisenhower in his insistence upon the need of revision of The Internal Security Act of 1950 and the Walter-McCarran Act of 1952.

We protest the continued disregard of Constitutional procedures by Congressional Committees, such as the Senate Sub-Committee on Security, in issuing memoranda under government imprint on individuals and organizations without benefit of a hearing or the support of evidence. We declare our faith in the historic court procedure of the right of a public hearing and the right of the accused to face his accusers.

We affirm the right of our youth to stand on his own Christian conviction either as participant or non-participant in the military program of our nation.

Recognizing that the relations between races is one of the main problems facing our present-day world, we re-affirm the conviction that in such conflict the Christian Church must place itself on the side of these forces which would command equality of rights for all peoples.

To this end we urge vigorous action in our Conference in the following manner.

1. To present clearly the Christian Doctrine of Man and his Brotherhood under the Fatherhood of God.
2. To support our Church's ministry in Negro Education through the annual Race Relations Day Offering.
3. To uphold the inter-racial fellowship within the context of our own community through—
   - a. The occasional exchange of pulpits and the encouragement of fellowship between pastors and congregations of different ethnic background.
   - b. The employment of qualified persons from various ethnic background on our Conference staff and in our Cokesbury Book Store.

We stand in solidarity of fellowship with leaders of our Methodist Church in Montgomery, Alabama and of other churches in the South in support of their non-violent approach to the problems resulting from the Decision of the Supreme Court in ordering an end to segregation.

We renew our invitation to the churches of the Pacific Japanese Provisional Conference within our borders to unite with the churches of the Oregon Conference.

We recommend an increased financial and moral support of the work of the Oregon Conference to extend fellowship to all persons of all racial and ethnic backgrounds.

We urge the churches of the Oregon Conference to extend fellowship to all persons of all racial and ethnic backgrounds.

Conference Grade Figures

The grade figure is a proportion expressed in decimals of the financial ability of a church to the financial ability of the Conference. It is based two-eighths on membership, three-eighths on ministerial salaries, and three-eighths on current expense.

The grade figures are computed near the close of one conference year to apply to the following conference year. They are computed by using the averages of three years, the years being those three immediately preceding the year in which the figuring is done and which are then published in the Conference Journal.

For the purpose of brevity, and to allow a small margin of safety against deficits, the conference averaged totals do not include fractions of thousands of dollars.

The formula for the part of the figure based on membership can be expressed by m/M x 2/8. The membership figure is found in Column 11 of the Conference Journal.

The salary item is s/S x 3/8. The salary figures are found in column 47c of the Conference Journal.

The expense item can be expressed as e/E x 3/8. The items included under expense are taken from columns 44, 45, 48, 57c, and 63 of the Journal.

The total of the three above computations is a grade figure.
